## **THE EVENT:**

The 27th Annual 8 Flags Car Show which will be held on historic Centre Street in beautiful downtown Fernandina Beach on Saturday, October 21, 2023.

## **WHO WE ARE:**

The Amelia Cruizers are a group of car enthusiasts based on Amelia Island in Northeastern Florida. We are a Florida 501(c) (3) not-for-profit corporation.

## **WHY WE DO IT:**

Proceeds from the 8 Flags Car Show go to local groups and in the past 20 years we have donated over \$140,000. Last year we were able to make sizable donations to the following non-profit organizations: Arc of Nassau, Elm Street Sportsman Association, Joy to the Children, Justin Hess Foundation, Micah's Place, Nassau County Council on Aging, and The \$1,000 Start-Ups Consortium.

## **LAST YEAR:**

Last year, with the blessings of the City of Fernandina Beach and the Downtown Merchants, and the support of Main Street, we had about 200 cars enter our show. We have an estimated 10,000 spectators come to Amelia Island to view the cars in our beautiful seaport city. We attempt to make our car show a getaway weekend event, and there are few rooms available on the island during that weekend.
